### THE TILLMAN TRIAL.

Defendant Says He Expected Gonzales to Shoot Him.

Lexington, S. C., Oct. 10.—The examination of James H. Tillman, accused of murdering Editor Gonzales, as a witness in his own behalf was resumed.

Mr. Tillman, giving his version of the shooting, said he was walking down from the statehouse after the adjournment of the state senate, Jan. 15, in company with Senators Talbird and Brown, the former being on the outside, the latter on the inside. Before reaching the transfer station, he said, he noticed Mr. Gonzales down the street looking at him very intently. He said he (defendant) had on his overcoat, buttoned. He said he never took his eyes from Mr. Gonzales and that Gonzales did not take his eyes off him.

He said Mr. Gonzales had on an overcoat, tightly buttoned, with hands in his pockets, thumbs sticking out. Mr. Gonzales cut diagonally across in front of him, he said, and the thumb of his right hand disappeared in his pocket. He said he thought Mr. Gonzales was going to draw a weapon, and he fired first, saying, "I got your message." The message, he said, referred to the statements reported to him by Witnesses White and Holzenbach. These statements were to the effect that Gonzales had said he had made Tillman show the white feather twice before and would do it again. The defendant said he did not fire a second shot as Mr. Gonzales did not draw a pistol.

On cross examination the defendant said he had reason to expect Gonzales would shoot when they met. He also said he sent word to Mr. Gonzales to come to the meeting at the opera house in Columbia and make his charges, then saying that he did this so that he could reply to them.

## TO ALL CATARRH SUFFERERS.

Hyomei Guaranteed to Cure by Rickert & Wells or Money Refunded.

The popularity and increase in the sales of Hyomei are unique in the annals of medicine. Such astonishing cures have been made by this remarkable remedy that the proprietors have authorized Rickert & Wells to sell every package of Hyomei under an absolute guarantee that it will cure catarrh. If it does not, the purchaser can have his money refunded by Rickert & Wells.

Hyomei is no ordinary remedy. It is the only method of treatment that sends by direct inhalation, to the most remote part of the air passages, a balsamic air that destroys all catarrhal germs in the breathing organs, enriches and purifies the blood with additional ozone, and makes permanent and complete cure of catarrh.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a lifetime, and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs.

Breathe through the inhaler for a few minutes four times a day and your catarrh is cured. That's all.

If not cured Rickert & Wells will refund your money.
